NAVIGATING SPAIN, P. 7
1. Madrid
2. northeast
3. prime meridian
4. Tagus River
5. Africa
6. Bilbao, Spain
7. Minorca, Majorca, Ibiza
8. 41°N, 2°E
9. Atlantic Ocean, Strait of Gibraltar, Mediterranean Sea
10. about 320 miles (Madrid to Lisbon)

YE OLDE TURKEY TREK, P. 16
1. Both journeys involve traveling for longer than expected. Each eventually concluded with a Thanksgiving celebration.
2. The cartoonist may have wanted to poke fun by contrasting the Thanksgiving traffic that many Americans consider a hardship today with the dangerous journey that the colonists made to get to the New World.
3. Answers will vary.
4. The cartoonist exaggerates the amount of traffic on the road today by comparing it with the colonists’ treacherous two-month trek to reach the New World. He has the passengers in each situation say the same thing, despite the dramatic differences in the length and difficulty of their journeys.

READING BETWEEN THE LINES, P. T-7
Answers will vary.

KNOW THE NEWS: STANDOFF IN SPAIN, P. T-8
1. B 6. C
2. D 7. A
3. C 8. B
5. C 10. C

BREAK UP OR MAKE UP?, P. T-9
Possible answers include:
Reasons for Catalan independence:
• Catalonia is a major industrial center and a key tourist destination. Its strong economy means it could be viable as an independent country.
• The Spanish government has too much control over Catalonia’s affairs.
• Catalonia gives too much money to the central government. According to some estimates, the region pays about 20 percent of Spain’s taxes.
• Catalonia has a language, culture, and history distinct from those of the rest of Spain.

Reasons against Catalan independence:
• It’s unlikely that an independent Catalonia would be able to join the European Union. That would make it harder for Catalonia to trade with other countries, which could hurt its economy.
• Spain as a whole would suffer economically.
• Several companies have announced plans to relocate their headquarters to other parts of Spain to ensure that they stay in the European Union.
• Europe is already dealing with a number of challenges, including Brexit, high unemployment, and an influx of refugees. Catalonia leaving Spain would create a new crisis for the continent.

KNOW THE NEWS: GUNS IN AMERICA, P. T-10
1. B 6. C
2. C 7. A
3. A 8. B
5. D 10. A

WHO HAS GUNS?, P. T-11
1. Yemen
2. 0.4
3. Serbia
4. 3.2 million (32 x 100,000)
5. Answers will vary.

“DEAR HARRIET . . . ,” P. T-12
1. Douglass, who wrote and spoke out against slavery from the relative safety of the North, did not face the risks Tubman did by returning to the South to lead slaves to freedom by way of the Underground Railroad.
2. She faced hardships and danger, risking her own life and freedom to help other slaves escape from bondage.
3. His abolitionist work was done openly, in public, whereas Tubman’s work had to be done in secret. Answers to the second question may vary, but may include that Tubman faced greater danger in her work than he did.
4. Both were admired for their work against slavery. Douglass’s public appearances won him applause and widespread recognition. Tubman’s secret work did not become well-known until after slavery was abolished, so praise for her efforts usually came from fellow Underground Railroad workers and the people she personally helped set free.

5. Douglass admires Tubman. He writes, “It is to me a great pleasure and a great privilege to bear testimony to your character and your works.”

WHAT’S THE STORY?, P. T-13
Answers will vary.
